KINGS PRAIRIE

(Received to late for last week.)

We are getting two or three days sunshine, then two or three days rain, delaying the work.

With all the former talk of good roads, there is less talk but more work. We never saw so much doing. Roads are being graded, concrete bridges and culverts are being built. Yes, by and by we can keep on top instead of down in the mire and clay.

Mothers Day last Sunday at New Liberty church was quite a success. The program was carried out in full besides many additions. The children and young people performed their parts creditably. Rev. W. F. Goodnight the noted evangelist, delivered a discourse at 11:30 that was well received. At the noon hour a table

ever eighty feet long was loaded with all that was good. An immense crowd was present. The one-acre hitching space was well filled with autos and other vehicles. The exercises in the afternoon were varied but good. Frank Wightman read a paper near the close that was well received. Mother's Day has come to stay.

Nix is anxious to know when it will be safe to hang up his winter coat. He doesn't want to be hasty.

The road commissioners did some good work by the Stribling place last week. It ruined before quite completed.

Montia Collar is getting a good start in work in his new shop on the Carter corner.

Aunt Sarah Carter's sister from Springfield and others from Stone County came up for Mothers Day.

On account of the advance wheat made during March we will have an early harvest.

Sunshine in the soul is worth more than moonshine in the still.

EVILS OF CONSTIPATION

Perhaps the most serious of the diseases caused by constipation is appendicitis. If you would avoid this dangerous disease, keep your bowels regular. For this purpose Chamberlain's Tablets are excellent, easy to take and mild and gentle in effect.

We have a shipment of Moon Bros. buggies on the road which will be here soon. Come in and let us explain the buggy to you. F. H. Kaase Hardware. 67tf

LUMBAGO

This is a rheumatism of the muscles of the back. It comes on suddenly and is quite painful. Every movement aggravates the disease. Go to bed, keep quiet and have Chamberlain's Liniment applied and a quick recovery may be expected. Mrs. F. J. Dann, Brockport, N. Y., writes: "I can honestly say that Chamberlain's Liniment cured me of lumbago a year ago last summer. When I began using it, I was flat on my back in bed and could not turn to the left or right. I had a bottle of Chamberlain's Liniment in the house and this was applied to my back. It promptly drove away the pains and aches."
